## COORDINATOR UPDATE

By **NATEESHA THOMASSEN**

What a busy start to the year it's been!

The Steering Group have been busy preparing our new Strategic Plan using all the feedback collected during last years Shaping Your Neighbourhood community consultation. We look forward to sharing the plan with you in the coming months.

Thanks to additional funding from the Victorian Government, a new round of the Power Saving Bonus commenced on Friday 24 March. As an outreach partner, we can assist our community to access the \$250 Power Saving Bonus available to all Victorian households even if you have previously claimed. If you or someone you know doesn't have access to a computer or find it difficult using technology, we're here to help you claim your bonus. For more information or to make an appointment please contact us on 5241 5717.

We're excited to announce our new 'Taster Series' program commences this term with the Safe Seats Safe Kids program (details page 8) and Gelato Macrame Hanger Workshops (details page 9). We're also busy working on other exciting new activities for our community to try including Tai Chi and Mosaics. 'Taster Series' activities are heavily discounted thanks to grant funding received from the City of Greater Geelong.

We hope this program will inspire and engage our community in activities that we can continue to offer at the Grovedale Neighbourhood House. Please keep an eye out on our noticeboards, on Facebook and in future editions of the Grapevine for more 'Taster Series' activities.

## GROVEDALE NEIGHBOURHOOD HOUSE ACKNOWLEDGES THE SUPPORT OF:

# KARDINIA WARD UPDATE

An update from your City of Greater Geelong, Kardinia Ward councillors Ron Nelson, Belinda Moloney and Bruce Harwood

Supporting our local community's priority projects is one of the most rewarding things we do on Council.

Whether it is in the arts, cultural, sporting, recreation, heritage or environment sectors, our Community Grants program funds a massive range of interests and activities.

In the latest round of our annual grants program, Council allocated a total of \$3.13 million to 44 different recipients.

There are a number of projects that will be completed in the local area due to Community Infrastructure grants.

Waurm Ponds Tennis Club has received \$212,600 to install lights on tennis courts 1-3, increasing usage of the facilities.

And East Belmont Saints Baseball Club will use a \$211,600 grant from Council to improve accessibility and to install new scorer's boxes on both fields.

Other community infrastructure grant recipients of interest:

Grovedale Sports Club – facilities upgrade (safety and access) - \$50,000

Belmont Lions Sports Club - Behind the goal netting at Winter Reserve - \$49,500

Geelong Baseball Club - Indoor batting / training facility upgrade - \$48,300

To find out more about our current grant opportunities, visit: [www.geelongaustralia.com.au/grants](http://www.geelongaustralia.com.au/grants)

Another infrastructure project closing in on completion is the Waurm Ponds Skate Park.

The upgrade is designed to create a more inclusive and cohesive space, suitable for various wheeled sports, ages, and skill levels.

*East Belmont Saints Baseball Club president Stuart McGovern with Councillor Ron Nelson.*

It is being delivered thanks to \$1.35 million from the State Government, and \$600,000 from Council.

You can really see the features of the park taking shape now, including the rail and skate elements, and the bowl formwork.

The project is expected to be completed in winter, so we're looking forward to seeing a wide range of people using the site soon.

**In the latest round of our annual grants program, Council allocated a total of \$3.13 million to 44 different recipients.**

# COMMUNITIES AT PLAY

By GROVEDALE TOY LIBRARY

In March, representatives from 15 countries around the world descended on Melbourne to play! Well, to learn about play - to focus on 'Communities at Play' at the 16th International Toy Library Conference. Grovedale Toy Library was thrilled to be able to send two representatives, funded by a Geelong Connected Communities grant.

What can you achieve in 30 minutes? This was the question posed by Robyn Monro Miller AM, President of the International Play Association – in just 30 minutes of unstructured play, as much as one third of the neurons in the brain are changed, grow and develop. When we as an organisation or as carers create conditions for play, we are helping to grow little people's brains! Play is in fact a biological necessity – one of the big 4 for childhood development, alongside good nutrition, adequate sleep and quality caregiving.

A key theme running throughout the conference was sustainability, and we were amazed at how much positive work is being done by other countries to combat toy waste, introduce creative recycling solutions, and use donation drives to facilitate stock for toy libraries, as well as generating funding

to run them. Australia has a long way to go! Currently, 51% of toys purchased in Australia are destined for landfill within 12 months. Toy libraries are a key factor to disrupting this alarming statistic.

On Sunday 5<sup>th</sup> March, we were excited to welcome delegates from the conference to visit Grovedale Toy Library and share with them aspects of our operations, highlight our successes from 2022, and discuss challenges and potential solutions.

This conference was an amazing opportunity to network with other passionate toy librarians, volunteers and play experts from around Australia and the world. Whilst members and the local community may only see the immediate services delivered by their local toy library, behind that lies a professional and experienced network of play advocates. We look forward to sharing more of our learnings with the Grovedale Toy Library community and implementing new ideas for play!

# HARMONY WEEK

By **MERRIN WOOD** | Kindergarten Teacher | Willie Wagtails

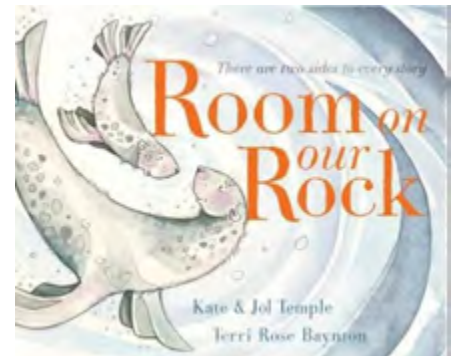

Harmony Week, celebrated on March 20th -24th celebrates all the cultures and backgrounds of our community living together as one. We shared the message of inclusiveness, respect and why everyone, from the traditional custodians of the land to those from around the world who now call Australia home should feel that they belong.

At the Grovedale Child and Family Services Centre, we invited the families to contribute a photo for a display of all the families in our foyer, to show that we all belong. Children tend to be very accepting and interested in differences between them and their peers. We discuss these topics by highlighting that in some ways we are all different but inside we are all the same. We all have different families and friends but we all just want to feel safe and loved.

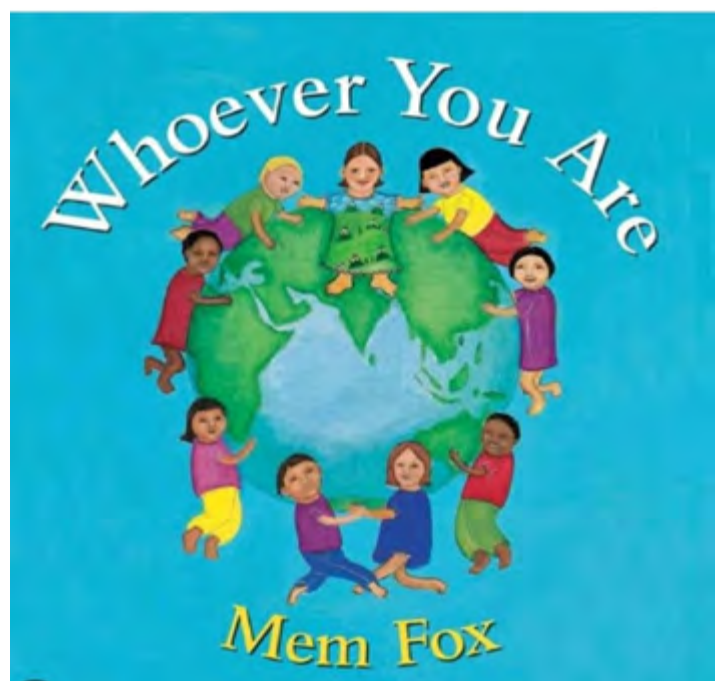

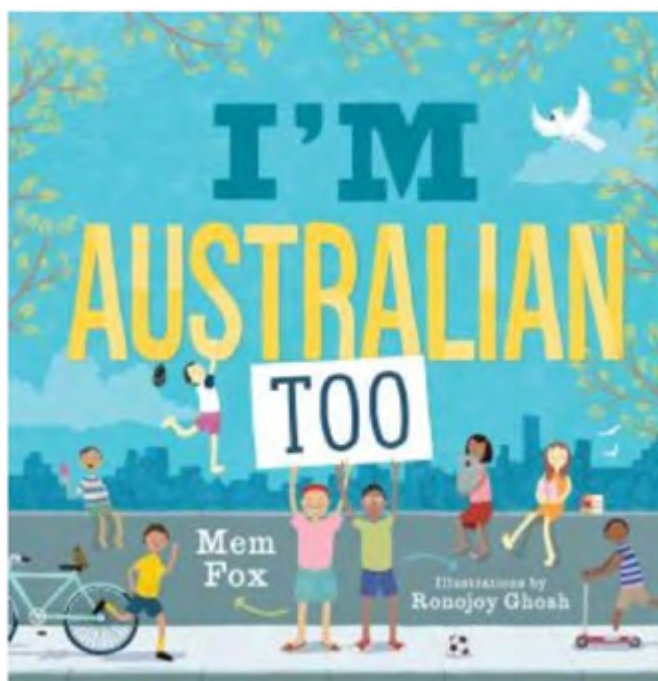

One family shared about their Irish heritage, one their Thai dances and another came in their traditional Indian Sari. We participated in Holi, which is a festival of colour. We were also shown how to do origami by a Japanese educator at our service.

We shared a lovely book called "Room on our rock". This clever picture book has one story that can be read two different ways. When read from

front to back, the seals believe there is definitely no room on their rock for others. But when the book is read from back to front, the seals welcome others to shelter on their rock. It is a heartwarming story about sharing, compassion and living in harmony.

At our centre we have 48% CALD families (Culturally and Linguistically Diverse) and we are all respected and valued. We share a wonderful sense of community and WE ALL BELONG.

## THE LIONS CLUB OF GROVEDALE/WAURN PONDS

Hello to our Grovedale neighbours!

The Lions Club of Grovedale/Waurn Ponds is holding a major fund-raising BBQ at Bunnings, Waurn Ponds on Thursday 13 April.

All profits realised will go to the Australian Lions Childhood Cancer Research Foundation (ALCCRF).

Never heard of it?

Well, here's the news.

The ALCCRF was formed by Lions Australia some 30 years ago.

And in those years Australian Lions have been spearheading the fight against childhood cancer in Australia. Ground-breaking treatments have been developed in that time.

17 years ago, we formalised our commitment to supporting children with cancer by establishing the Lions Cord Blood and Childhood Cancer Research Appeal.

Since then, we have raised more than \$12 million dollars for childhood cancer research.

Significant advances in the treatment of childhood cancers have been achieved with the support of these funds.

Here is a link, should you wish to find out more.

<https://alccrf.lions.org.au/what-we-do/>

Lions Biggest BBQ is an annual fundraising event undertaken by many of the 1,200 Lions Clubs across the country. This year the BBQ can take place at any time during the year, from January to December.

The Lions Club of Grovedale/Waurn Ponds BBQ is on Thursday 13 April, at the Bunnings Waurn Ponds store.

So, please come along to Bunnings on the day to buy a sausage and support this great cause.

As always, if you want to talk to us about joining the great organisation of Lions Clubs International, give us a call, have a coffee. There is no obligation.
